- The wearing of a mask is mandatory while in lane and during access controls
- The Longines CSI Ascona staff will help you. We kindly ask you to follow the instructions given at all times

PROTECTION MEASURES

- Hand sanitizers stations will be positioned at the entrance. Everyone must disinfect their hands before entering the venue
- A face mask must be worn while in lane and during access controls at the entrance
- Social distancing must be respected while in lane and during access controls at the entrance
- If you have experienced one or more symptoms related to Covid-19 during the past ten days, please get tested and stay home to protect others
- Longines CSI Ascona staff health status will be monitored on a daily basis. Our staff will always have a valid Covid Certificate and will wear a face mask when in contact with the public

COVID CERTIFICATE

A valid Covid Certificate will be required to enter the 28th Longines CSI Ascona to comply with the regulations introduced by the Swiss Government.

The Swiss Covid Certificate is a digital proof that a person (16 years of age or older) has been fully vaccinated against Covid-19, has had the disease and recovered or has had a PCR (valid 72 hours) or antigen test (valid 48 hours) with a negative result.

Each Covid Certificate has its own QR code that will be scanned upon entry in order to validate the certificate. Your Covid Certificate will be verified against a valid ID.

App "Covid Certificate"

You can download the "Covid Certificate" App for free from: [Apple App Store](#) - [Google Play Store](#) - [Huawei AppGallery](#). Alternatively, you can present your Covid Certificate with the QR code printed.

"Eu Digital Covid Certificate"

The Swiss Covid Certificate and the EU Covid Certificate are mutually recognized. Please show the QR code of your "Eu Digital Covid Certificate" at the entrance.

Only Swiss certificates (Covid Certificate) with QR code and European certificates (EU Digital Covid Certificate) are recognized by the scanners at the entrance.

Other types of Covid Certificates

Currently, international certificate holders cannot have a Covid Certificate. International recovery or vaccination certificates will need to be validated by our staff who will be trained for this purpose.

For certificates of vaccination/recovery, the provisions of Appendix 2 (people who are considered vaccinated according to paragraph 5 letter a; people who are considered recovered according to paragraph 5 letter b) of the COVID-19 Special Situation Ordinance applies.

Don't have a Covid Certificate? Get tested!

You can fully enjoy Longines CSI Ascona by undergoing regular testing.
